

Final Science Fair Board Requirements

DUE WEDNESDAY, May 6th!

Use this sheet as a check off list to make sure you have included all required elements.

1. **Background:** The display board background should be **decorated thematically**.
2. **Backings:** All papers have backings that were cut with a ruler or other straight edge device.
3. **Labels:** The following items should be clearly labeled so the viewer knows what he or she is reading: **Question, Research, Hypothesis, Materials, Procedure, Data, Conclusion.**
4. **Left Panel:** The following pieces are to be placed on the left panel –
 - Question** -- IV, DV, and control
 - Research** – It will be multiple pages, so it may be stacked and stapled.
 - Hypothesis**
 - In order to be able to be read from a distance, all pieces must be in size **18 font or higher**.
5. **Middle Panel:** The following pieces are to be placed on the middle panel –
 - Materials**
 - Procedure** -- If multiple pages, it may be stacked and stapled).
 - Data** – Graphs, tables, and qualitative data. If necessary, it can be stacked and stapled.
 - In order to be able to be read from a distance, all pieces must be in size **18 font or higher**.
6. **Right Panel:** The following pieces are to be placed on the right panel –
 - Conclusion** – It will be multiple pages, so it may be stacked and stapled.
 - Bibliography**
 - In order to be read from a distance, all pieces must be in size **18 font or higher**.
7. **Title:** A title is included across the top or above the board. It should be large and very visible. It should be done neatly.
8. **Neatness and Craftsmanship:** Neatness and good craftsmanship are to be used on this project.
9. **Name and Class:** Your name and class must be visible on the front of the board.

“ I have read and understand the requirements for the science fair board.”
